SKOKIE, IL, March 12, 2016 /24-7PressRelease/ -- Castle Connolly Medical Ltd. America's trusted source for identifying Top Doctors has released America's Top Doctors 2016 and has selected Constantine Frantzides, MD for this exclusive honor.

Castle Connolly Top Doctors who are selected each year by Castle Connolly Medical Ltd. are first nominated by their peers in an online nomination process. Nominations are open to all board certified MDs and DOs; each year tens of thousands of physicians cast many tens of thousands of nominations. Nominated physicians are then screened and selected by the Castle Connolly physician-led research team based on criteria including medical education, training, hospital appointments, disciplinary histories and much more. Only physicians such as Dr. Constantine Frantzides who are considered to be among the top 1% in their specialties are selected for inclusion in America's Top Doctors.

About Constantine Frantzides: a short profile by and about the honoree:

"Early in my career I recognized the advantages of Minimally Invasive Surgery and I was one of the few to lead the laparoscopic revolution. I am credited with the development of 14 different laparoscopic procedures and I have published more than 200 scientific manuscripts, monographs, and chapters as well as 3 textbooks on Minimally Invasive Surgery. It is a great pleasure and honor for me when patients, turned down by others, present to my office with challenging surgical issues that I am able to successfully treat with laparoscopic surgery".

For more information on this Castle Connolly Top Doctor, please visit Dr. Constantine Frantzides's profile on www.castleconnolly.com.

Castle Connolly Medical Ltd.'s President and CEO Dr. John Connolly commented on Dr. Frantzides's recognition: "Being selected for inclusion in America's Top Doctors 2016 is a very significant achievement given to only 1% of American physicians. American physicians are incredibly high quality medical
